

# Jukkasjärvi VildmarksTurer AB

## Mountain Tours from end February to end April

- Wednesday** Arrival at Kiruna airport, the guide will meet you at the airport and accompany you to the kennel where you will be equipped with extra clothes and sleeping bags, etc.  
Dinner and presentation from your guide regarding your tour, we staying at our kennel this first night
- Thursday** We start the day with breakfast and then we take care of our dogs, sleds and harnesses. We will then pack the sleds with all the necessary equipment and set off on the tour. Each participant will drive his or her own sled with a team of four-five dogs, following the guide who will lead the way. Today's destination is area of Vakkakoski -Väkkäräjärvi stretch of approximately 30 km. On arrival at the camp, we will work together to prepare both the dogs and ourselves for the night. This will include feeding of the dogs, wood chopping and fetching water. We end the day with dinner. This is your training day with your dogs before we join the mountains.
- Friday** We start the day by feeding the dogs, after which we eat breakfast, driving the dogs back to start point where we loading all sleds and dogs, equipment in to a trailer and cars, driving up to area around Abisko where we starting our tour, directly in to Abisko national park. This day will be to Abiskojaure Apx. 15 km
- Saturday** The morning routines are the same every day. Today we will enter the true mountain world the rest of the day's. Today's destination will be Allesjaure, 26-27 km.
- Sunday** The famous Kungsleden (The King's Trail) starts here in Abisko, and this is the route we will be following for the next few days. Our destination for today will be Sälka, a spot well known for its immense natural beauty. This is 30 km with a few uphill sections.
- Monday** Our destination for day six is Singi chalets. Today's tour is approximately 26 km, we staying our last night in the mountains here.
- Tuesday** On our last day, the destination is Nikkaluokta. Apx. 35 km stretch through valleys at the foot of Kebnekaise, having reached Nikkaluokta, we will be picked up by cars and driven back to the kennel where the dogs will be kennelled and equipment checked and stored. The night will be spent in same camp as first night.
- Wednesday** Before your flight home, if we have time we taking you to a guided tour of the Ice Hotel (Entrance are not included) in Jukkasjärvi but transfer is free. Time allowing, we will also guide you to a tour of Kiruna.

Please note: This is a preliminary schedule. The length and route of the tour may vary depending on circumstances beyond our control such as weather, trail access, and seasonal variations etc.
